HERE'S A FEW QUESTIONS?

 Are you treating yourself like the Goddess you are?

 Are you doing what you love?

The thing that inspires you and drives you to a higher achievement

 How are you putting a dent in the Universe?
Your big vision for life

 Can you identify what your purpose is?

The clear blueprint that details where your energy should be spent

 Do you know how to get paid for expressing your unique gift?

You have them, but knowing what they are and how you get paid to use them is another thing
